Mid and West Wales
Fire and Rescue Service

O 1 Gorffennaf 2024 bydd y ffordd yr ydym yn ymateb i alwadau a gaiff eu derbyn gan **Ganolfannau Derbyng Larymau** yn newid.

O'r dyddiad hwnnw, ni fyddwn yn ymateb i unrhyw alwadau sy'n deillio o systemau Larwm Tân Awtomatig (ddydd a nos) ac eithrio'r canlynol:

1. **Eiddo Preswyl**
2. **Cartrefi Nyrsio a Gofal** (yn cynnwys cynlluniau llety gwarchod a byw gyda chymorth, neuaddau preswyl myfyrwyr, elfennau preswyl ysgolion, carchar-dai, a llety staff y GIG ar y safle)
3. **Adeiladau sy'n destun Hysbysiad Gwahardd neu Orfodi diogelwch tân**

Byddwn bob amser yn ymateb i danau sydd wedi'u cadarnhau a fydd yn denu ymateb brys llawn neu well, yn dibynnu ar yr wybodaeth a ddaw i law.

Dylech adolygu eich Asesiad Risg Tân a'ch Strategaeth Tân i ystyried y gwelliant hwn a, lle bo angen, gwneud unrhyw newidiadau sydd eu hangen i gynnal trefniadau diogelwch tân effeithiol.

Am ragor o wybodaeth mewn perthynas â'r newid hwn, e-bostiwch post@tancgc.gov.uk

Gwasanaeth Tân ac Achub

Mid and West Wales
Fire and Rescue Service

From the **1st July 2024** the way that we respond to calls received from **Alarm Receiving Centres** will change.

From that date we will not respond to any calls originating from automatic fire alarm systems (day and night) with the exception of the following:

1. **Residential Premises** (includes sheltered and assisted living schemes, student halls of residence, boarding elements of schools, prisons and on site NHS staff accommodation)
2. **Nursing and Care Homes**
3. **Premises subject to a fire safety Prohibition or Enforcement Notice**

We will always respond to confirmed fires which will attract a full or enhanced emergency response, dependent upon the information received.

You should review your Fire Risk Assessment and Fire Strategy to take account of this amendment and where necessary make any changes required to maintain effective Fire Safety arrangements.

For further information in relation to this amendment please email
post@tancgc.gov.uk
