

Title	Real World of Learning	
Item Number	2	
Date of Meeting	18 November 2025	
To consider and comment on the following issues:		
How providing groups of learners with meaningful work-related experiences including actual business problems for them to solve we can create value for all. Addressing gaps in employment through building relationships between schools and employers that enable learners to understand specific roles and the wider aim and ethos of businesses and organisations. Overview: We have taken the concept of Real World Learning from a pioneering school in London and undertaken a pilot at Ysgol Dyffryn Aman which has already had success in engaging learners and allowing them to apply their learning from school in the real world and allow them to see possible career pathways. English medium brochure - Real World of Learning Programme - ENG We hope the members of the PSB will partner with the Education Department in developing this strategy across Carmarthenshire through further pilot and by building on the existing pilots. Key Features: Aiming to address the issue of engagement in schools and the challenge employers have in recruiting effective work ready employees.		
To discuss and agree: 1. To discuss and agree opportunities for PSB Members to support and facilitate the Real World Learning programme.	Is a decision necessary?	Yes
